UIT OP borg: Sers John van Tonder van die Lugmag Gimnasium op Hoedspruit tydens sy hofverskyning op 'n aanklag van verkragting.

Soldaat op borg na verkrag-saak

Deur Kamogelo Muvhenzhe

'n 32-JARIGE soldaat van die Lugmag Gimnasium in Hoedspruit, Sers. John van Tonder, is Vrydag hier in die landdroshof van verkragting van n getroude vrou aangekla.

Van Tonder is op borg van R1 000 vry-gelaat.

Van Tonder, 'n ongetroude man, se verskyning spruit uit 'n voorval sowat twee weke gelede in Drakensig toe hy na bewering die getroude vrou in haar woning verkrag het.

Na bewering sou van Tonder, die klaaggster

en nog 'n vriend tot laatnag saam gedrink het.

Die drie is na bewering sowat 2-uur na hul onderskeie huise, maar die klaagster het, volgens getuies, 'n rukkie later in haar slaapkamer wakker geword met Van Tonder bo-op haar.

Sy het glo begin gil en die Hoedspruitse polisie is ontbied waarna Van Tonder in hegtenis geneem is.

Hy sal weer op 5 Desember op Hoedspruit in die hof verskyn.

Zandspruit great news for whole community

THE EFFORTS of 4 years of team work, struggles, highlights, disappointments and achievements have finally culminated in the issuing of a single page document that enables the registration of stands purchased at Zandspruit Bush & Aero Estate, in Hoedspruit Limpopo.

The Section 38 certificate for Hoedspruit Ext. 12 was issued on October 31 by the Limpopo DFA Tribunal Designated Officer after all conditions of establishment were adhered to, proof was delivered and the register was opened in the deeds office in Pretoria.

The first set of transfer documents will be handed in at the Pretoria deeds office within the week by Mr. George Clarke, of Steyn & Clarke Attorneys in Hoedspruit.

This is excellent news for Maruleng Municipality as well, as they will take transfer of the land allocated to them for an 8 mega litre water reservoir which is set to solve the water problems of Hoedspruit Town for many decades to come.

The developers of Zandspruit Bush & Aero Estate, Mr. Martin den Dunnen, Mr. Gerrit Jan van der Grijn and Mrs. Tracy den Dunnen wish to thank their staff and the professional team of consultants namely Origin Townplanners, Consolv Civil Engineers, Claassen & Auret Electrical engineers, Eljon Electrical, Steyn & Clarke Attorneys and Försch & Associates Architects for their dedication in making this dream a reality.

A warm hearted thanks goes out to the businesses in Hoedspruit, Laeveld Bou Handelaars in particular, who believed in this project, supported Zandspruit Bush & Aero Estate and assisted in making it THE better place to move to.

Last but not least, a thank you to all the investors and purchasers without whom none of this would have been possible. We salute your vision and present to you this world first, Zandspruit Bush & Aero Estate in Hoedspruit, Limpopo. Move to a better place, Move to Zandspruit Bush & Aero Estate.

The developers of Zandspruit Bush & Aero Estate, Tracy den Dunnen, Martin den Dunnen and Gerrit Jan van der Grijn.
